

## ECOTROLL 49

### Features

**Prix :** € 250000  
**Model :** Ecotroll 49  
**Overall length :** 15.20 m  
**Hull length :** 14.99 m  
**Waterline length :** 13.80 m  
**Beam width :** 4.49 m  
**Draft :** 1.16 m  
**Lightcraft displacement :** 12.2 t  
**Maximum displacement :** 20 t  
**Rudder(s) :** 2  
**Category :** A (Offshore)  
**Cockpit :** Sheltered with wheelhouse  
**Cabin(s) :** 4, 2 double and 2 with bunkbeds  
**Berth(s) :** 12  
**Head(s) :** 1  
**Saloon :** Huge area for 10 peoples  
**Engine(s) :** 2 x Nanni diesel N4.80 SD 80cv @ 2700rpm  
**Water tank :** 500 L  
**Architect(s) :** Jean-pierre Brouns

**RARE OPPORTUNITY:** become the owner of this amazing trans-oceanic trawler!

The Ecotroll 49 decked hull is waiting to be fitted according to your desires, and can be visited in Tarare, a mere 30 minutes away from Lyon by car or train.

This is the most environmentally friendly motor yacht ever: it is designed with hybrid diesel and electric engines as well as a "kite" wing/sail allowing it to further reduce its consumption. It has a range of 6 hours at 5.5 knots in electric and more than 2000 miles at 6 knots in diesel engine. Approved in category A offshore, her shallow draft and Strongall hull allow her to sail worldwide, be it on oceans, rivers or canals.

This yacht of a little less than 15m is designed to have the large living room & kitchen, chart table and wheelhouse areas on the main deck, and a bathroom and two double bedrooms (including owner's cabin) on the lower deck.

**Price of Hull including :**

2 META 615 shaft lines  
 2 rudders  
 Bearings for 2 jackstays  
 3 wheelhouse doors.  
 Cockpit hatches  
 Aft cockpit drawbridge door  
 Central cradle (for generator)
