Version Array

Model : Ecotroll 49

Overall length : 14.99 m

Hull length : 14.82 m

Waterline length : 13.80 m

Beam width : 4.49 m

Draft : 1.16 m

Lightcraft displacement : 12.2 t

Maximum displacement : 20.5 t

Rudder(s) : 2

Category : A

Berth(s) : 8

Head(s) : 1

Engine(s) : 2*79 CH

Fuel tank : 4400 L

Water tank : 500 L

Architect(s) : Jean Pierre Brouns

60 years of experience in shipbuilding.

More than 400 boats, many of which have sailed around the world in all seas and oceans.

Resistant, comfortable, safe boats that stand the test of time.

META YACHTS presents the Ecotroll 49

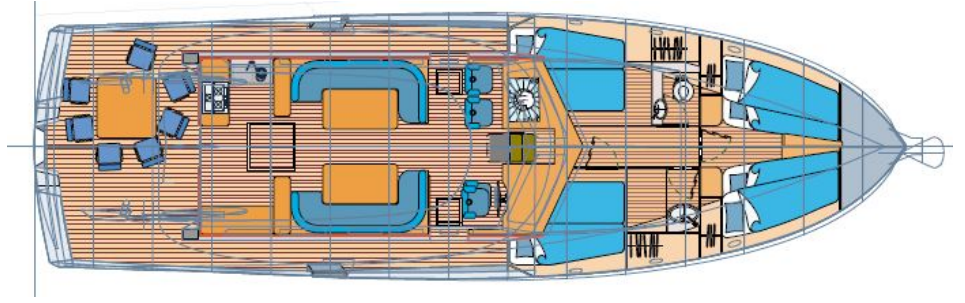

Personality

A trans-oceanic troller with rivers dimension, the Ecotroll 49 is a motor yacht for the high seas. Its shallow draft and its Strongall hull allow it to navigate in all the seas of the world, and rivers. Cruise in the Mediterranean, cross France by rivers to Norway? It is possible! The Ecotroll is a motor yacht that is as ecological as possible with its hybridization and its solar and kite options. The little brother of the 49, the Ecotroll 39 has already proven its sailing capabilities with Eric Brossier and France Pinczon du Sel at the helm on a survey mission for the European project Damocles.

Layout

This troller of almost 15m is composed of a large living room with kitchen, chart table and wheelhouse on the main deck. On the lower deck there is a bathroom, sanitary facilities, two double rooms and a cabin with two bunk beds, for a total of 8 beds.

These large volumes make it very pleasant to live in and its tank capacities allow for long voyages without any worry of damage. As a proof, the Ecotroll 39 - 10 feet shorter - made a round trip from France to Greenland!

Your META

The possibility of a custom design is very important to META YACHTS. None of our designs are set in stone. META YACHTS is open to suggestions and offers the possibility of custom designs. A META boat is above all a boat that looks like you!
