60 years of experience in shipbuilding.

More than 400 boats, many of which have sailed around the world in all seas and oceans.

Resistant, comfortable, safe boats that stand the test of time.

META YACHTS presents the JPB 35

Personality

Sailing yacht of a little more than 11 meters, the JPB 35 is an ideal boat for a couple. The ballast in biquille allows it to have a weak draft and to be able to run aground at will. This small sailboat of the JPB range is perfect for a world tour in couple. The JPB 35 answers the need for small sailboat for expedition with a reduced crew with brilliance. In the line of its big brothers JPB 40, 50, 52, the JPB 35 is also able to cross the oceans and to take you to the end of the world.

Layout

The JPB 35 is composed of a large saloon with the living room on the port side and the kitchen on the starboard side, a large owner's cabin on the forepeak with a lot of storage space and a single cabin for a friend or a child on the starboard side. The saloon also converts to a double berth. This yacht has a large storage area behind the bathroom to store sails, waxes and other items.

Your META

Working closely with naval architect Jean-Pierre Brouns, we can offer you the JPB 50 as close as possible to your expectations.

The possibility of a custom design is very important to META YACHTS. None of our designs are set in stone. META YACHTS is open to suggestions and offers the possibility of custom layouts, made in our layout workshop in Port Saint-Louis du

Rhône.

A META boat is above all a boat that looks like you! The perfect sailboat as YOU imagine it.

You can find the rest of the range on the yachts page:
