META YACHTS presents the Minitroll 27

Personnality

Looking for a boat that will turn heads? A simple, small and versatile boat? The minitroll 27 is for you!
Small but strong, this fifty has a shallow draft (0.95m) which allows it to navigate in the vast majority of water bodies. Moreover, its hull and its triplane shape (bi-keel + rudder) allow it to run aground on beaches with ease.

Layout

The Minitroll is a small, comfortable motor yacht convertible fifty that can accommodate up to 4 people. It is composed of a large saloon/lounge with kitchen on the main deck and two bedrooms and a bathroom on the lower half of the floor.
