Resistant, comfortable, safe boats that stand the test of time.
META YACHTS presents the OutreMer 33

Personality

The OutreMer 33 is a Joubert-Nivelt design created with the idea of making no compromise in terms of behavior and safety at sea. The hull is agile and smooth at all points of sail and the displacement is optimal for long distance travel. The maneuvers are easy thanks to the modern and efficient rigging. This yacht is designed to demonstrate excellent performance under power and sail. Its drastic simplicity guarantees the minimum of possible maintenance. At the safety level, the oversizing is systematic (active and passive safety). The Outremer 33 is a simple sailboat, effective both in coastal cruising and on the high seas, the choice is yours!

Layout

The sailboat, simple to the extreme, does not deny comfort for all that, the deckhouse is modern and very well lit. The vast rear cockpit allows to welcome comfortably visitors. Inside, we can easily welcome between 4 and 6 people in bed, while keeping room for a comfortable kitchen and a shower room at the back.

Your META

The possibility of a custom design is very important to META YACHTS. None of our designs are set in stone. META YACHTS is open to suggestions and offers the possibility of custom layouts. A META boat is above all a boat that looks like you! The META YACHTS design office is at your disposal to discuss your ideas and needs in order to create a unique boat, at your height.
