The largest model in the Sainte-Marthe range, the Ste-Marthe 46 is a large capacity mixed cruiser with all the comforts of home. It is equipped with large diesel tanks which allows it to have a large autonomy and its Strongall hull allows it to access all the seas of the world. Its triplane hull (twin-keels + protected rudder) makes it a boat that can be beached without apprehension.

The Ste-Marthe 46 has a large salon with a kitchen, a chart table and a steering wheel with all the engine controls on the main deck and two large double bedrooms as well as a bathroom with toilet on the lower deck.
